

USDA Hardware BPA

Government Acquisitions is pleased to hold an agency-wide BPA Contract for the U.S. Department of Agriculture (USDA) for IT products including desktops, laptops, ruggedized laptops, workstations, mobile workstations, and services. Government Acquisitions with its featured partners: HP, Panasonic, Dell, and Getac will provide all USDA agencies with a cost-effective, easy to use contracting vehicle to execute IT priorities.

USDA BPA# AG-3144-B-10-0001

Experience

- 21 years of experience as an IT Enterprise Solutions Provider to the Federal Government
- Long history with USDA dating back to 2003. We have been the major provider to USDA under the Common Computing Environment (CCE) contracts in 2003, the three-year IT BPA's awarded in 2006, and now the five year BPA awarded in 2009.

Integrated Solutions Approach

- A single point of contact for pre-sales consulting, logistics, and post-sales support
- A true "Trusted Partner"
- We leverage the strengths of our partners to craft the most effective solution possible
